CAPITAL RALLY RENTALS LLC.

PERSONAL FLOTATION DEVICE POLICY

Capital Rally Rentals LLC realizes the benefits of promoting safe boating. Every Capital Rally Rentals LLC watercraft is equipped with **Personal Flotation Devices (PFD's)**. Each powerboat renter is assigned one **Personal Flotation Device** per person upon checkout.

It is Capital Rally Rentals LLC policy to follow California law, that every child under 13 years of age on a moving recreational vessel of any length must wear a Coast Guard-Approved **Personal Flotation Device** in serviceable condition and of a type and size appropriate for the conditions of the activity. Additionally, they must be worn while walking on the docks. We also feel it is advisable that all adults adopt this same policy. Because **Personal Flotation Devices** come in a variety of types and sizes, Capital Rally Rentals LLC advocates that you and your crew follow these important procedures:

1. Try your **Personal Flotation Device** to see that it fits comfortably snug.
2. Do not attempt to alter your **Personal Flotation Device.** It yours doesn't fit, let us know immediately so we can find one that better suits your needs.
3. Determine the number of children, 12 years of age and under, and inform us.
4. If you choose to use your own **Personal Flotation Device,** it must meet Coast Guard-Approved specifications.
5. You MUST wear a **Personal Flotation Device** while using water skis, wake board or other towable device, REGARDLESS OF AGE.

Capital Rally Rentals LLC considers water safety paramount to a successful and safe day on the water.

On behalf of Capital Rally Rentals LLC, we would like to thank you for your cooperation!
